ETHICS IN GOVERNMENT ACT—FINANCIAL DISCLOSURE STATEMENT

FORM A—For use by Members, officers, and employees of the House of Representatives and related offices

GENERAL INFORMATION

WHO MUST FILE AND WHEN:

- **Each Member in office on May 15 must file a Financial Disclosure Statement on or before May 15 of that calendar year.**

- **Any officer or employee of the Legislative Branch compensated at a rate equal to or in excess of the annual rate of basic pay in effect for grade GS–16 of the General Schedule for a period in excess of 60 days in a calendar year, shall file a Financial Disclosure Statement on or before May 15 of the succeeding calendar year if he or she continues to be such an officer or employee on May 15.**

- **Any employee of a Member who has been designated as a principal assistant for purposes of the Act and who performs the duties of his or her position for a period in excess of 60 days in a calendar year, shall file a Financial Disclosure Statement on or before May 15 of the succeeding calendar year if he or she continues to be such an employee on May 15.**

WHERE TO FILE: Clerk, U.S. House of Representatives, Office of Records and Registration, Room 1036, Longworth House Office Building, Washington, D.C. 20515.

WHERE TO SECURE ASSISTANCE: Committee on Standards of Official Conduct, U.S. House of Representatives, Room 2360, Rayburn House Office Building, Washington, D.C. 20515. Telephone No. (202) 225–7103. Additional forms and instruction booklets may be obtained from the Committee office.

EXTENSIONS: The Committee on Standards of Official Conduct may grant reasonable extensions of time for filing any Disclosure Statement. Extension requests should be directed to the chairman of that Committee in writing and should state the reason the extension is necessary.

REPORTING INSTRUCTIONS

REPORTING PERIOD: The period covered by this Disclosure Statement is calendar year 1982, unless otherwise indicated. *Gifts or reimbursements received during any period in the calendar year when the reporting individual was not a Member or employee need not be disclosed.*

INCOME: The term "income" is intended to be all-inclusive, as defined in the Act. The identity of the source and the amount or category of value of all income which exceeds $100 from any one source must be disclosed separately. Gross income should be listed, but the net income derived from business may also be reported. The type of income should be identified as salary, commission, pensions, honoraria, dividends, interest, etc. In reporting any honoraria, include the date of receipt and indicate which honoraria, if any, were assigned to charity. The amount of the honorarium should be the net figure; any payment for travel expenses should be disclosed as a reimbursement. ***Exclusion:*** Income from current U.S. Government employment.

SAMPLE

GIFTS: In reporting tangible gifts, it is not necessary that exact dollar figures be reported in every case. If the exact value of a gift is not reasonably ascertainable, a good-faith estimate and a brief description of the gift is sufficient for disclosure purposes. In disclosing gifts of entertainment or travel-related expenses, the individual should include a brief description of the itinerary and the nature of the expenses provided. ***Exclusions:*** Gifts from relatives and gifts of personal hospitality of an individual. Gifts with a value of $35 or less need not be aggregated towards the $100 or $250 disclosure threshold. Political campaign contributions also need not be reported. *Note:* House Rule XLIII, clause 4 prohibits acceptance of gifts aggregating $100 or more in value from certain sources.

REIMBURSEMENTS: This category would include items such as travel expenses provided in connection with a speaking engagement or fact-finding event related to official duties, whether those expenses were reimbursed to the individual or paid directly by the sponsoring organization. Only a brief description of the itinerary and the nature of the expenses is required rather than exact dollar figures. ***Exclusions:*** Travel-related expenses provided by federal, state, and local governments, or by a foreign government within a foreign country, and reimbursements paid from campaign funds.

HOLDINGS: Business interests, stocks and bonds, real estate, savings accounts, and any other investment or income-producing property should be reported by category of value. Property held at any time during calendar year 1982 must be listed; however, the value of the holding should reflect the fair market value as of the end of the year. In listing the category of value of any item where it is difficult to determine an approximate fair market value, any recognized indication of value may be used provided that the method of valuation is included on the Disclosure Statement. (See 2 U.S.C. § 702 (c) for methods of valuation.) In listing securities, the name of each company in which stock worth over $1,000 is held must be listed separately. In reporting real property holdings, a brief description of the property (such as number of acres and indication of any improvements), and its location should be included. ***Exclusions:*** Any deposits aggregating $5,000 or less in personal savings accounts as of the end of the year, and any personal liability owed to the reporting individual by a relative. A personal residence would not be reported unless any part of the residence produces rental income. The cash value of a life insurance policy, and equity in any retirement fund need not be reported.

LIABILITIES: All personal obligations aggregating over $10,000 owed to one creditor at any time during 1982, whether secured or not, and regardless of the repayment terms or interest rates, must be listed. The identity of the liability should include the name of the individual or organization to which the liability is owed, and the amount disclosed should be the category of value of the largest amount owed during the calendar year. Any contingent liability, such as that of a guarantor or endorser, or the liabilities of a business in which the reporting individual has an interest need not be listed. ***Exclusions:*** Mortgages secured by the personal residence of the reporting individual or his spouse; any loan secured by a personal motor vehicle, or household furniture or appliances; and any liability owed to a relative.

TRANSACTIONS: The amount to be reported in disclosing transactions in real property or securities is the category of value of the total purchase price or total sales price, and is not related to any capital gain or loss on the transaction. Indicate whether the property was purchased, sold, or exchanged. ***Exclusions:*** Any purchase or sale of a personal residence, and any transactions solely by and between the reporting individual, his spouse, or dependent children.

POSITIONS HELD: Any nongovernmental position held by the reporting individual, whether compensated or uncompensated, in any business entity, nonprofit organization, labor group, educational or other institution must be reported. ***Exclusions:*** Positions held in any religious, social, fraternal, or political entities, and positions solely of an honorary nature.

AGREEMENTS: Continued payments or benefits from a former employer would include interests in or contributions to a pension fund, profit-sharing plan, or life or health insurance; buy-out agreements; severance payments, etc.

SPOUSE AND DEPENDENT DISCLOSURE

In general, the reporting individual is required to include financial information concerning his or her spouse or dependent children. However, in certain limited circumstances, the truly independent financial interests of a spouse or dependent would be exempt from disclosure.

Information concerning a spouse or dependent child should be reported as follows: (1) the source, but not amount, of a spouse's earned income which exceeds $1,000; (2) the source and category of value of income derived from any asset of the spouse or dependent reported under Part III of the Disclosure Statement; (3) gifts or reimbursements to the spouse, unless received totally independent of the spouse's relationship to the reporting individual; and (4) assets, liabilities, and transactions of the spouse or dependent child.

SAMPLE

Disclosure of the financial interests and liabilities of a spouse or dependent under Parts III, IV, and V of the Statement is exempted when all three of the following circumstances are met: (1) the item is the sole interest or responsibility of the spouse or dependent child and the reporting individual has no knowledge of the item; (2) the item was not in any way, past or present, derived from the income, assets, or activities of the reporting individual; and (3) the reporting individual neither derives, nor expects to derive, any financial or economic benefit from the item. *Note:* If the reporting individual does not disclose certain financial interests or liabilities of the spouse or dependent children because these three standards for exemption are met, he or she must so indicate in Part VIII of the Statement.

The information concerning a spouse or dependent child must be reported in the same manner as that of the reporting individual. However, the person reporting need not identify which items belong to a spouse or dependent. No information is required with respect to a spouse living separate and apart from the reporting individual with the intention of terminating the marriage or providing for permanent separation; or with respect to any income or obligations of an individual arising from the dissolution of the marriage or permanent separation.

TRUSTS

The holdings of and income from a trust or other financial arrangement in which a beneficial interest in principal or income is held by the reporting individual, his spouse, or any dependent children must be disclosed. However, the reporting individual need only report the category of the amount of income received by him, his spouse, or dependents from: (1) a trust which was not created directly by such individual, his spouse, or any dependent, and with respect to which such individual, his spouse, and dependents have no knowledge of the holdings or sources of income of the trust; or (2) a "qualified blind trust," as defined in section 102(e)(3) of the Act. Such a trust must be approved by the Committee on Standards of Official Conduct before it will be deemed a qualified blind trust under the Act.

This Financial Disclosure Statement is required by the Ethics in Government Act of 1978, as amended (2 U.S.C. § 701 et seq.). The Statements will be made available to any requesting person upon written application, and will be reviewed by the Committee on Standards of Official Conduct. Any individual who knowingly and willfully falsifies, or who knowingly and willfully fails to file this report may be subject to civil and criminal sanctions, (see 2 U.S.C. § 706 and 18 U.S.C. § 1001).

Dear Sir:

This letter is to supplement my financial disclosure statement for 1982, which was filed with your office on May 16, 1983. In that statement I disclosed receiving a $250.00 honorarium from the Brookings Institute, but I neglected to give a date of that event. The date in fact was December 1, 1982.

I regret the inadvertent omittance of this date in my original filing.

With best regards, I remain

Sincerely yours,

JOSEPH P. ADDABBO, M.C.

Dear Mr. Guthrie:

In reviewing the Financial Disclosure Statement for 1982, which I recently filed, it appears that a few entries should be augmented with additional information so as to clarify the information reported.

Under "INCOME", Subsection B, the source statement referring to "Merrill Lynch" should read: "Merrill Lynch Ready Assets Account". Within that same subsection, the third entry, "Robert Edwards", should read: "Robert Edwards, Law Office Tenant".

Under Section III, "HOLDINGS", so as to better describe the source of the income listed under "INCOME" (B), a line should be added which would read: "Merrill Lynch Ready Assets Account--Category D".

Your assistance is seeing to it that this letter is appended to my disclosure statement is greatly appreciated, since it is my desire to be certain that all information is as complete as possible and readily understandable.

Sincerely,

Ed Bethune
Member of Congress

Dear Sir:

Pursuant to your office's contact yesterday, May 17th, I was notified that a mistake was made in the completion of my financial disclosure statement for 1982.

Under Part II, Gifts and Reimbursements, Section A, listed inadvertently was a trip sponsored by and paid for by the United Jewish Appeal of New Jersey. In this case, my travel expenses were provided in connection with fact-finding activities and official duties as a Member of Congress, and therefore, this trip should fall under Section C instead.

Also, for purposes of clarification, under Section B, "all other gifts", I have listed (2) additional gifts both of which are from my parents, Madeline and Joseph Courter, Sr.

I appreciate your attention to rectifying this problem.

Sincerely,

Jim Courter

The Honorable Benjamin J. Guthrie
Clerk of the House
H 105 The Capitol
Washington, D.C. 20515

Dear Mr. Guthrie:

I am writing in reference to my Financial Disclosure Statement for 1982.

I have inadvertently listed two partnerships and a D.I.S.C. corporation under Income Section A. Please amend my statement to remove them from Section A and include them instead in Income Section B. The changes should be listed as follows under IB.

Source	Type	Category
Ohio Twine Co. (member)	partnership	F
Ohio Twine Co. (spouse/children)	partnership	F
DeWine International Seeds, Inc.	D.I.S.C.	A

In addition, the 1982 DSRB (spouse) partnership listed in Income section A should be removed. Under Section III, Holdings, the DSRB Partnership (1/3 interest in rental unit) (spouse) category B, should be changed to category C.

In Section IV, Liabilities, please change the DSRB partnership category to C. Please add to Income Section B: Source, DSRB partnership (spouse); type, rent; category, C; loss, category A.

Thank you for your assistance.

RECEIVED 1983 MAY 23

Sincerely,

Mike

HAND DELIVERED

Honorable Louis Stokes
Chairman
Committee on Standards of
Official Conduct
2360 Rayburn H.O.B.
Washington, D. C. 20515

Dear Mr. Chairman:

I am writing to amend my 1982 Financial Disclosure Statement which was filed with the Committee on May 15, 1983. In my statement I reported a gift of transportation and lodging from Holiday Inns, Inc. for me, and my wife, for a trip to Puerto Rico. This item was reported in Section A of my Statement. Upon checking my records further, I discovered the source of the gift was not Holiday Inns, Inc., but was a personal friend of longstanding, Mr. Hugh Andrews.

Accordingly, I am amending my report to reflect this new information, and ask that this letter be appended to my Statement.

Sincerely,

Robt Garcia

Honorable Bill Hefner
United States House of Representatives

Washington, D.C. 20515

Dear Colleague:

This is in response to your letter of June 17, 1980 which requests this Committee's views as to whether or not monies which you receive as owner of a radio station may be excluded from earned income and thus not subject to House Rule XLVII, which places restrictions on the amount of earned income a Member may receive in a given year. The rule prohibits a Member from receiving more than 15 percent of the Member's yearly congressional salary (presently $9,099.38) in outside earned income.

As noted in the Select Committee on Ethics' Advisory Opinion #13 (copy enclosed), the limitation applies only to income earned for personal services and therefore is generally inapplicable to funds accrued through property ownership, investments or equity. The real test, however, is whether or not the amounts received are in fact attributable to any significant extent to services rendered by the Member. Thus, regardless of the characterization of the nature of the monies, they would fall squarely within the rule if they are accrued through efforts of the Member. On the other hand, if the Member is merely acting to protect his investment, equity or capital and rendering no services to generate the income, that income is not subject to the limitation.

In the particular circumstances described in your 17 June letter, you note that you and your wife are sole stockholders in the concern; that you do not involve yourself with the operation of the business; and that time spent at the station is not for business purposes.

Based on these facts, it appears that you do not render personal services to the station, and therefore it is our opinion that your accepting $25,000 a year from WRKB as sole stockholder would not be classified as earned income and thus not subject to the 15 percent earned income limitation. You should note, however, that this income must still be reported on your Financial Disclosure Statement. If we may be of further assistance, please contact the Committee staff at 57103.

Sincerely,

Charles E. Bennett

Dear Mark:

Please be advised as a result of our conversation regarding my Financial Disclosure Statement for 1982 that the following information represents an expansion of information requested.

With reference to Section I. Income - B. the Financial Federation Corporation is a savings and loan corporation made up of thirteen (13) separate independent savings and loans with stockownership held by the public. This holding corporation is also a public stock-held corporation. The interest received as shown in the above identified section resulted from a combination of time deposits and certificates of deposit for limited periods of time (i.e. 30 days, 45 days, 90 days).

Pacific Savings and Loan Association is also a public-held corporation. The interest received as shown in Sec. I - B is a result of the same transactions as above relative to Financial Federation Corporation and its affiliates.

I hope this additional information will satisfy the criteria as discussed.

Sincerely,

Al McCandless

AL McCANDLESS

The Hon. Benjamin J Guthrie
Clerk of the House
Washington, D.C. 20515

Dear Mr. Guthrie:

It recently came to my attention that my salary and income as Assemblyman for the State of California was omitted from my financial disclosure statement.

Please revise my record to show an "E" level of income as salary from the California State Government, under section I, B.

Thank you very much for your assistance with this matter.

Sincerely,

Matthew G. Martinez

The Honorable Benjamin J. Guthrie
Clerk
U. S. House of Representatives
Washington, D.C. 20515

Dear Mr. Guthrie:

MC/

I was quite surprised today to learn that the Alabama Press having reviewed my most recent Financial Disclosure Statement has written "Congressman Nichols is well on his way to becoming a millionaire".

Such allegations are, of course, far from the truth. In reviewing my most recent letter to you of May 16, I have noted a gross error made by me in the value of the four items listed in that letter.

Rather than using the table appearing at the top of page 2 which specifies Category of Value, I used instead the Category Table appearing on page 1 of the Financial Disclosure Statement. I am asking that this error be corrected in your files.

Specifically, under item III "Holdings" the correct listing should be as follows:

1. 165 acres timber property, Brecon Area Talladega, estimated value	Category D	60,000.
2. Protective Life Ins. Policy cash value	Category C	20,000.
3. Congressional Credit Union average monthly balance	Category B	5,500.
4 Perpetual American Fed. S&L Assoc. investment for 30 days only	Category D	60,000.
5. Washington Federal S&L Assoc. in Saving Certificate	Category C	48,000.

I regret my error in listing these holdings and request that my Financial Disclosure be amended accordingly.

Yours very truly,

Bill Nichols

Deduction for a Married Couple When Both Work

▶ Attach to Form 1040. ▶ For Paperwork Reduction Act Notice, see Form 1040 Instructions.

OMB No. 1545-0074
1982
37

Names as shown on Form 1040: William J. and Barbara Ratchford

Your social security number: 045 : 26 : 8995

Purpose.—Use this schedule to claim a deduction if:

- you are married filing a joint return,
- both you and your spouse have Qualified Earned Income, and
- you do not exclude income earned abroad or in U.S. possessions or claim the foreign housing deduction.

Generally, earned income is income you receive for services you provide such as wages, salaries, tips, and commissions. It also includes income earned from self-employment. It does not include items such as interest, dividends, pensions, annuities, non-taxable income, distributions from an IRA, or deferred compensation.

Caution: *Do not consider community property laws in figuring your earned income.*

Adjustments.—Your earned income must be reduced by certain deductions that apply to it to figure Qualified Earned Income. Enter in the proper column of line 4 below, the amounts from Form 1040:

- line 24—Employee Business Expenses,
- line 25—Payments to an IRA,
- line 26—Payments to a Keogh plan, &
- line 31—Repayment of supplemental unemployment benefits (Sub-pay).

Example.—You earn a salary of $20,000 and have $6,000 of employee business expenses on line 24 of Form 1040. Your spouse earns $17,000 and puts $2,000 into an IRA (line 25 of Form 1040). Your Qualified Earned Income is $14,000 and your spouse's is $15,000. Therefore, on your joint return you can take a deduction of $700 (.05 × $14,000).

		(a) You		(b) Your spouse	
1 Wages, salaries, tips, etc., from line 7 of Form 1040. (Do not include any amount your spouse pays you.)	1	60667	50	15799	82
2 Net profit or (loss) from self-employment (from Schedule C or F (Form 1040), Form 1065 (Schedule K–1), and any other taxable self-employment income)	2				
3 Combine lines 1 and 2. This is your total earned income	3	60667	50	15799	82
4 Adjustments from Form 1040, lines 24, 25, 26, and any repayment of Sub-pay written in on line 31 (see instructions above)	4				
5 Subtract line 4 from line 3. This is your Qualified Earned Income	5	60667	50	15799	82
6 Write in the amount from line 5(a) or 5(b), whichever is smaller, BUT DO NOT WRITE MORE THAN $30,000			6	15799	82
7 Multiply line 6 by 5% (.05)			7		×.05
8 Write in the answer here and on Form 1040, line 29			8	789	99

Dear Mr. Guthrie:

I would like to amend my 1982 Financial Disclosure statement to include the places and dates in which an honorarium was offered. My policy is not to accept honoraria, but instead suggest that the organization send a contribution to a charity in Indiana.

Organizations making and receiving contributions for 1982 are as follows:

1. Contribution of $1000 from the American Bakers Association written directly to the Bartholomew County United Way following my speech on January 13, 1982.
2. Contribution of $500 from the National Association of Petroleum Analysts written directly to Ball State Foundation, Ball State University following my speech on March 4, 1982.
3. Contribution of $200 from American Nuclear Energy Council written directly to Shelby County United Fund following my speech on March 25, 1982.
4. Contribution of $500 from Borg Warner written directly to Johnson County United Fund following my panel discussion on April 1, 1982.
5. Contribution of $500 from the American Gas Association written directly to the United Way of Greater Indianapolis following my speech on April 27, 1982

The Honorable Benjamin Guthrie:

I would like to amend my 1982 Financial Disclosure Statement. I would like to request that under Section II. Gifts and Reimbursements, part C., I need to add the specific amount of $846.00 for the total reimbursement, Unfortunately, I neglected to type in the amount with the description of the reimbursement.

I would also like to submit a copy of the original Financial Disclosure Statement. I only submitted one copy by mistake.

Thanks so much for your assistance. I hope my errors have not caused you any inconvenience.

Sincerely,

Mike Synar

To whom it may concern: MC✓

I am writing to correct an inadvertent omission from my financial disclosure statement, specifically the date of receipt of two honorariums during the 1982 calendar year.

I received a $150.00 honorarium from the Missouri Institute of Cooperatives on February 24, 1982 and a $500.00 honorarium from the Missouri Oil Jobbers on February 8, 1982. I am sorry these dates were not included in my original disclosure statement, and would ask that this letter be included as a part of my statement in order to clarify the record.

Sincerely,

Harold L. Volkmer
